

Frequently Asked Questions

- **What are the costs for book per semester?**

The costs for books can vary from semester to semester and also from one year to another depending on what books are being used each year

- .

The university states that the approximate expenses for books for the first part of the programme (the "Service, Hospitality & Tourism" programme) is between € 600-700.

The approximate expenses for books for the top-up programme will be around € 300-400.

- **Is the verification form needed for all countries?**

Yes. If the number of instruction hours of English and Math is not mentioned on the final diploma, the applicant need to ask their high school to fill in the form (regardless of nationality).

- **Does the university provide the student with an internship?**

No, it is the responsibility of the student to find an internship. However, the university or your organisation might be able to help the student if necessary.

- **What is the impact of the Brexit for UK students?**

Unfortunately this is still unknown. As soon as more information is available, we will inform you all.

- **What is the exact number of spots for the AP and TOP Up- programme?**

The number of spots for the AP programme is around 30, the number of spots for the Top-up around 20.

- **Is it possible to go directly to the TOP UP-Programme?**

Yes that is a possibility if the student has the required qualifications. For example a bachelor degree.

- **Will the 600 euro be refunded if the applicant is not accepted?**

The 600 euro will be refunded if the student is not accepted.

- **When will applicants hear if they are accepted?**

Applicants should receive an answer in May.

If applying directly for the top-up programme the application deadline is the 5th of July. These applicants can expect to receive an answer in July.

Furthermore, we want to stress out that it is a fulltime programme and that it is difficult to get extensions.

In addition, if a student fails to pass an exam three times, the student will be expelled. It is only possible to re-enrol if a student can show that he/she has done additional training in this particular area.
